JUSTIN KUHN (THEY/THEM)

# SAXODRONE

LONDON, UK

ELECTRONIC PRESS KIT

## ABOUT SAXODRONE

Saxodrone is a solo act of ambient soundscapes, drone music, and free jazz. Using an array of guitar pedals and a MiMU Glove, the saxophone is transformed into an ensemble of evolving energies.

## ABOUT JUSTIN

Justin is a performer, researcher, and developer currently undertaking a master's degree at Goldsmiths, University of London. They explore how new technology can transform entertainment, education, and art.

## WHAT OTHERS SAY

"super fucking cool !"

@isaacjoy97, Instagram comment

"sick"

- my ex

"how are you doing that?"

- literally everyone at my shows
